This matter is before the Court on plaintiff's motion to compel (Filing No. 21), supported by an index of evidence in support of said motion. The index contains the requests for admission, the interrogatories, and defendants' responses thereto. A review of the responses reflect that defendants have failed to properly respond to those requests. For these reasons,

IT IS ORDERED that plaintiff's motion to compel is granted; defendants shall have until January 17, 2006, to fully respond to the requests for admissions and the interrogatories which have been served upon them.

DATED this 3rd day of January, 2006.
